An All-Star Performance at Vincentian

Vincentian was recently honored with yet another accolade for its commitment to quality care when all three senior care communities, Vincentian Home, Vincentian Marian Manor and Vincentian de Marillac, received 5 star ratings by the Centers for Medicare & Medicaid Services (CMS) — a distinction earned by only the best care providers in the state. It's made possible thanks to the hard work of Vincentian’s dedicated caregivers, friends, volunteers and donors who make what we do possible. Special banners are on display at each home to acknowledge the accomplishment — the first time in the history of the Vincentian system that all three homes have been rated 5 stars at the same time.

CMS created the Five-Star Quality Rating System to help consumers, their families and caregivers compare providers and identify areas about which to ask questions. Criteria for the CMS rating system include staffing, health inspections and how well a senior community cares for residents' physical and clinical needs.

Congratulations to everyone at Vincentian Home, Vincentian Marian Manor and Vincentian de Marillac!
President’s Corner
THRIVE!

Caregivers provide emotional and physical support to those in need — but who takes care of the caregivers?

We do! Vincentian’s THRIVE for Wellness program provides education, resources and opportunities for all employees to improve their health and well-being in mind, body and spirit.

The new THRIVE Employee Fitness Center at Vincentian Home provides all VCS employees with access to a state-of-the-art exercise room, operating 24/7 for employees to visit during non-work hours.

Staff members can visit the center for strength training, cardiovascular exercise, yoga and much more.

Special thanks to all who had a hand in making the fitness center to reality. The project was funded through Vincentian’s budget and generous support from the Sisters of Charity of Nazareth Ministry Fund.

As the THRIVE program continues to grow, additional wellness opportunities and fitness centers are planned across the Vincentian ministries.

Stay tuned!

God Bless,

Nick Vizzola
President & CEO

Get Ready to Rock on August 19th
2nd Annual VINCENTIAN ROCKS at Jergel’s

Raise the roof while raising funds for Vincentian residents on Sunday, August 19, at Jergel’s Rhythm Grille at the 2nd annual Vincentian Rocks benefit concert!

Taking the stage will be another all-star cast featuring Pittsburgh legend Donnie Iris with Joe Grushecky, Clinton Clegg, Kelsey Friday and Rick Witkowski with music by The Houserockers.

Sally Wiggin from WTAE will share her unique brand of Pittsburgh wit as celebrity emcee.

Doors open at 5:00 p.m. and tickets are just $30. Call 412-548-4056 or visit vcs.org/rocks for more information.

All proceeds benefit seniors living at Vincentian Home, Vincentian Marian Manor and Vincentian de Marillac.

A Hole in One at Sr. Eileen Charity Golf Classic

Sunny skies, pleasant temperatures and the historic Pittsburgh Field Club provided the backdrop for the 2018 Sr. Eileen Charity Golf Classic. Sponsors, golfers, donors and guests raised more than $90,000 for our residents — an all-time record.

Special thanks to presenting sponsor CDL Nuclear Technologies and all of our supporters for their generosity.

See you again next year!
A New Day at Vincentian Marian Manor Personal Care

Newly Renovated and Expanded

Residents and visitors alike are enjoying the newly renovated and expanded Vincentian Marian Manor Personal Care community, complete with amenities including a beautiful dining room, game room and spacious patio.

The transformation of the A1 community into Personal Care includes new flooring, painting, furniture and other enhancements. The Vincentian Marian Manor renovation team worked diligently over the last several months to bring the project to completion, and the results are truly amazing.

The Personal Care setting is perfect for seniors who need a little help with daily tasks such as bathing, dressing, taking medications, personal hygiene, cooking/eating, getting around and housekeeping.

Personal Care residents at Vincentian receive assistance that is always available, but never intrusive. Interested in touring the new rooms? Call Samantha at 412-328-7300.

Volunteer Spotlight

Longtime Vincentian volunteer Bob Kerr brightens the lives of all around him by sharing his optimistic outlook, knack for conversation and bright smile. This energetic man’s many duties include escorting residents to Mass, playing games and assisting at a variety of events.

Bob recently celebrated his 99th birthday with volunteers, friends and staff at Vincentian Home. With a laugh and smile, Bob cut the cake and shared his wish to return next year to celebrate number 100 with his Vincentian family.

Happy Birthday, Bob!

Help us reach our $100,000 fundraising goal!
