Activity Update:

At this time, for our residents safety, residents will now participate in "hallway activities" from the comfort of their rooms. Each resident has been given their own activity supplies to be able to participate during all hallway activities, which occur every Monday, Tuesday, Thursday and Friday afternoon. An Activity staff member is present every day of the week to ensure socialization and comfort be provided to each resident during this time of isolation. Thank you for your patience and understanding during this difficult time.

Days To Celebrate!

Flag Day—Sunday, June 14th

First Day of Summer—Saturday, June 20th

Father's Day—Sunday, June 21st

To our Vincentian friends and family:

We hope you are all doing well during this time of isolation. Your cheerful faces and warm hearts are missed every second of every day. I wanted to take this time to let you all know that there is nothing more we would enjoy than to invite you all back into our facilities to reunite with your loved ones. Unfortunately, at this time, we are holding back on opening our doors. We hope you understand that this is for everyone's safety as we, as nursing home facilities, continue to follow regulations and safety precautions put into place by our government. I urge you to take advantage of the Vincentian hotline number and website that is a great resource of information to keep you updated on everything revolving around COVID-19. Please do not hesitate to make an appointment for a video call as well! We promise you all will be the first to know as things change but for the time being, visitation is still prohibited.

Thank you for your patience and understanding during this time.
