- \* Candy and Chocolates
- \* Lipstick/Blush/Makeup Products
- \* Deodorant/Toothpaste/Shampoo/Conditioner
- \* Jewelry (Stretch/Elastic/Clip-on)

**VINCENTIAN DE MARILLAC**

Ministry of the Vincentian Collaborative System

## From the Administrator's Desk-

Happy (almost!) Fall! We're still pressing forward with good things here at Vincentian de Marillac, and I'm excited to share:

**Front Entrance Procedure:** If you've visited us in the last week or so, you've noticed that not only is our new front door finally open for use, but our Receptionist has relocated back to the front office for the first time since the pandemic started in March 2020!

You'll also notice:

The front doors are secure. Please do not yank on them. ☐

To enter, you will need to:

- 1 - Ring the intercom buzzer outside to be let into the vestibule;
- 2 - Go through the "thermal scanner" system (which takes the place of a staff member taking your temperature and asking if you have COVID symptoms), and pass the screening questions;
- 3 - Ring the intercom buzzer on the second door to be let into the building.

When you "pass" the scanning system, a printed name badge will print. Please wear it while you are in the building.

This scanner system is new to all of us, and we're learning every day. A staff member is always available to assist you if needed. Just ring the buzzer if the Receptionist isn't immediately available!

**Resident Room Visits:** During the month of October, we are going to allow families to pick one day to come into the building and go to your resident's room in order to go through their closets, change out the decorations, etc.

Whenever you schedule this visit, it will be in addition to the weekly visit you already may have on the books. (You won't have to sacrifice your regular weekly visit!)

*Our thoughts and prayers are with the families of  
all those we've lost thus far.*

*"May angels lead them in."*

We will be moving your resident's roommate out of the room during this time, so that we can stay in compliance. We ask that you please only touch your own resident's items, remain out of the resident bathrooms, and wear your mask the entire time while in the room.

Yes, you can bring new wardrobe items and decorations. Please be mindful of the size of our closets and dressers. We will take the items from you when you enter, and run them through our dryer, per policy. We will then return them to you to put away. Make sure they are labeled! Please bring bags with you to take old items home with you; we will NOT be accepting clothing and decoration donations for other residents, nor can we dispose of/donate them for you.

We can accommodate ONE room visit per resident during the month of October. Each visit will be one hour in length, and then you will be escorted back to the lobby. At this time, we ask that you do not request additional dates, as we are trying to accommodate everyone.

Due to the nature of this visit, we would strongly recommend that the resident's responsible party be one of the two people coming that day.

**The Coordinator for this project is Trista Salvatore, Medical Secretary. To schedule your room visit for October, please leave her a message at the following number: 412-924-1913. She will return your call to discuss open dates and time.**

Disclaimer: As with everything COVID related, this may be subject to change based on infection rates in the county or new guidelines from the state/CMS.

We're looking forward to cooler days ahead. As always, if you have any questions, please reach out to me at number below. Thank you!

Hillary Butts, NHA

Administrator
