VALENTINE FUN

Staff had a a lot of fun and a good time showing their coworkers some love by sending personalized Valentines and candy. The cards and treats were delivered to the recipients throughout the week. It was a sweet way to show how much they care for and appreciate each other! Each nursing station received a 'Kissing Booth' filled with Hershey Kisses. A traveling Sweet Treats cart filled with assorted chocolates rolled through each neighborhood to the delight of the residents. Sweet treats for everyone!

Dear Friends,

A sure sign that Spring is near is the Season of Lent! We also call Lent a "Springtime for our souls" as we hear the call of God: "Even now, says the Lord, return to me with your whole heart" (Joel 2:12). This special time of grace invites us to renewal and the joy of repentance as we prepare for Holy Week and Easter. Each year I share the following reflection, because I like how it offers practical suggestions for seeking Lenten transformation:

Give up harsh words: use generous ones.

Give up anger: take up gentleness and patience.

Give up pessimism: take up hope and optimism.

Give up worrying: take up trust in God.

Give up complaining: take up gratitude.

Give up stress: take up prayer.

Give up judging others: discover Jesus within them.

Give up sorrow and bitterness: embrace the joy of the Lord.

Give up selfishness: take up compassion for others.

Give up words at times: fill yourself with silence and listen to others.
