Are you ready for adult field day?

Who has what it takes to be named the Vincentian Victors and take home the WINcentian Trophy? Get ready for a new fundraising event—The Vincentian Games. Think back to the best times you had at your elementary school field day and that's The Vincentian Games...but for grown-ups! This event was created to showcase our beautiful North Campus and all it has to offer, while also incorporating a fundraising component (more on how you can participate in that at a later date!). All proceeds benefit the mission of Vincentian.

DO YOU WANT TO BUILD A SNOWMAN?

Residents had fun making snowmen with volunteer Mary Ann Carvlin. Tube socks were filled with rice and then eyes, nose, and buttons were added. A scarf and hat completed the look. Snow cute!

Dear Friends,

With the mild Winter this year, we have already begun to see signs of Spring around us! We call the Season of Lent a "Springtime for our Souls", a time of spiritual renewal as we prepare for Easter. On Ash Wednesday we heard these words: "Even now, says the Lord, return to me with your whole heart" (Joel 2:12). Each year, I like to consider the following reflection, which suggests ways that we might turn anew to God in these special days:

Give up harsh words: use generous ones. Give up anger: take up gentleness and patience. Give up pessimism: take up hope and optimism. Give up worrying: take up trust in God. Give up complaining: take up gratitude. Give up stress: take up prayer. Give up judging others: discover Jesus within them. Give up sorrow and bitterness: embrace the joy of the Lord. Give up selfishness: take up compassion for others. Give up words at times: fill yourself with silence and listen to others.
